Vacation Bible School (VBS) for All Children and All Adults

- Monday, August 19th through Friday, August 23rd
- First Dinner, then VBS
- For children AND adults!

The “River of Life” participants will learn about the importance of water and visit important “ports” during the week to hear Bible stories, all involving water. We will journey down the river to learn about God’s gracious gift of water and hear about communities working to restore watersheds, to protect rights to water, and to ensure safe water for everyone. The children and the adults will separately read and discuss the same Bible stories. Each VBS evening will include supper, a devotion time together, and fun! The kids will experience Bible stories, crafts, games, skits and much more. The Adult VBS will have thought-provoking discussions led by Pastor Harry. We look forward to seeing you there!

Additional Help Needed for VBS

If you want to be involved we need volunteers who can make a meal for our VBS attendees. It's a great way to get to know the kids. If you can help, please contact Angie Brooke at: randy_angie@hotmail.com

Notes From Pastor Harry

Continuing Worship and Prayer during Summer Travels and Vacation

As the summer season is upon us and schedules change and many of us plan to travel, let me share, as your Christian brother and as your Pastor. On vacations and in different routines it may be easy to forget to spend time in worship and prayer. Remember the Sabbath day and keep it holy. You can easily find your local ELCA parish at the www.ELCA.org website, click on "find a church," and enter a zipcode.

If you have an interesting worship experience and want to share, or just want to let me know what you were up to, bring a bulletin back. I am also interested to see what others are doing.

And, remember the ministry we share together as Resurrection Church goes on every day of the year, so continue your support in finances and in prayer while you may be away.

I do pray that if you do have time away this summer, it is refreshing and life giving! Travel safely and, "God watch between us while we are away from each other."
Pastor Harry

RELC Programming

Music at Resurrection

One of the goals of the Music at Resurrection committee is to seek quality talent to perform at Resurrection Lutheran Church. Please reach out to Cathy Carr (jccarr7@gmail.com) with suggestions for choral or musical groups to give a concert at RELC.

Chrismon Project

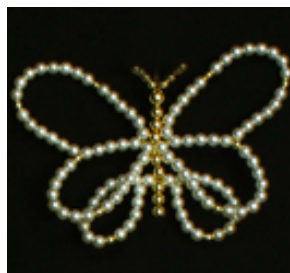

Calling out to all crafters - if you like to knit, bead, string wire, work w/clay (a new medium) or even just want to learn in a group (or on your own) please contact Mimi Van Poole. **Next Chrismons workshop TBA.**

During coffee hour (by the fireplace) there will be individual Chrismon kits to look at. The ornaments come in various sizes with all the patterns, instructions, and supplies to make them. The current Chrismons, those in great shape and those we are replacing (or repairing), will be on display.

This is for everyone but ESPECIALLY to parents. Specific children's patterns for grades 1 & 2 and for grades 3 & 4 are available. Please let me know which ornaments you think your kids would like to try. Or, for Resurrection Church members who think they would like to include some of these in our collection, please let me know what patterns you are interested in. These Chrismon patterns do not come in single kits so I just need to know the patterns you want and how many to order so that I can order the supplies for them. If folks want to take home the pattern and supplies to make one ornament, you are also welcome to do so.

Please review the price list PDF for the Chrismons on the RELC website under the RELC Weekly Announcements from June 13th on. These Chrismon ornaments can be sponsored by individual members that wish to make them themselves OR would like a member of the wonderful current crafters who have volunteered to make them for you. If you see one of interest, please contact me and I will order it for you. Through sponsorship (including ornaments that have already been completed), we are hoping to have tags on the ornaments "in honor of," or "in memory of," before they are blessed the first week of December.

RELC Meal Ministry

RELC's Meal Ministry is alive and well. We are looking for volunteers who like to cook/bake when the need arises. If anyone hears of/or needs something themselves, please reach out to Pastor Harry who will let the committee chair know and we will be in touch. If you have questions, please feel free to contact Mimi Van Poole.
